Valder Beebe Show MORE THAN JUST GIRLFRIENDS

June is a month of relationship growth. I have two extraordinary interviews to conduct. First, with Don Lemmon, CNN Anchor who's newest book Transparent hits store shelves as you read this. Then I will interview Danny Wallace. I have spoken to Danny several times before the interview but I caution you to be prepared to "change the way you look at things - so the things you look at will change," after my interview with Danny Wallace. Danny (and Don) both will exemplify the featured topic 'relationships.' Their stories are quite different, yet in many aspects the same as many children of the planet.

Danny has "already experienced more than any man of multiple decades should ever know. As a result of the doorway opened in his formative years and the resulting emotional and sexual conflict going on inside this man during his years of puberty, Danny Wallace was destined to spend many years bound in the deception and stronghold of homosexuality, until his deliverance near thirty (30) years of age." This is only a piece of the story of Danny Wallace [do not judge]. Tune into the Valder Beebe Show in June; listen to their interviews with an open heart.

Healing In His Wings is the new CD from High Worship
The Artist Kennard Llewellyn Haggerty

Inspired from Kennard's testimony when the Lord brought him through major brain surgery, the CD contains 10 titles. Each track infused with powerful and prophetic words for healing and restoration.

Do you need healing from sickness, forgiveness, and the very issues of daily life, unemployment, and finances? God's word is the answer God's powerful word can deliver you today. In Luke, 1:37 it says, "For with God nothing shall be impossible."
